# TUCKBOX TEMPLATE - 2.5" x 3.5" x 0.75"

## game card

### LIVE AREA IS THE ENTIRE BOX

When adhering to guidelines be sure to include bleed in your artwork and make sure that any important type or logos fall within the live area. Please check to see that the artwork is centered, or placed exactly where you want it on the template.

— TRIM - Final cut size of the box.

- - - FOLD - Where the box folds.

— .125" BLEED - Background colors and patterns should extend to this point.
