

**TEMPLATE - 2.75" x 4.75"**  
**game card**

\*Be sure to change the artboard to the bleed size and then duplicate for each card.

**LIVE AREA IS THE ENTIRE BOX**

When adhering to guidelines be sure to include bleed in your artwork and make sure that any important type or logos fall within the live area. Please check to see that the artwork is centered, or placed exactly where you want it on the template.

— TRIM - Final cut size of the card.

— LIVE AREA - Where all art must fall.

— .125" BLEED - Background colors and patterns should extend to this point.
